

Immunizations and Vaccinations

All full-time incoming students to the Qatar campus must complete online immunization and tuberculosis (TB) screening forms, as well as upload immunization records with dates from their healthcare providers to Health Connect, after you have received your Andrew ID.

If your immunization records are in a language other than English, please translate the date of each vaccine dose into English before uploading.

Failure to comply with the below requirements may result in an inability to register for classes.

Required Immunizations	Doses
Measles, Mumps, Rubella (MMR)	<ul style="list-style-type: none"> • 2 doses of MMR, or • a combination of 2 measles vaccines, 2 mumps vaccines and 1 rubella vaccine, or • a positive immunoglobulin (IgG) antibody blood test to each (proves immunity)
